01/2026/03 – Precept:

The Council met to consider the annual precept demand from East Riding of Yorkshire Council and reviewed the Parish Council's expected expenditure for the coming year.

Councillors discussed the national move towards *gov.uk* domain names for town and parish councils to strengthen security, GDPR and FOI compliance. The Clerk circulated the ERYC SmartICT costings. It was noted that providing individual compliant email addresses for all councillors would double current fixed costs for the Parish Council. A single address managed by the Clerk would be significantly cheaper. However, as the change is not yet a legal requirement, the Council agreed not to proceed at this time. The Clerk will confirm whether current arrangements remain compliant.

Councillors unanimously agreed a precept demand of £945 for 2025/26, representing an increase of just under 5%, in line with Council Tax. The form was completed and signed.

Meeting closed at 7.32pm
