UPDATE: These Occurrences of similar incidents, which have taken place within the same area, during the same times frames and likely by the same suspect.

The Modus Operandi is similar in each case – in short summary: parcel courier driver purports to deliver parcel to residential address. Suspect is seen (on some occasions) taking photo of item as if delivered to address. Suspect then removes the parcel from doorstep and takes back to vehicle before leaving area with parcel.

Locations known are: **SKIRLAUGH / RISE / LONG RISTON**. These appear to be on the same delivery round.

Offences known so far have been linked together. There has been considerable discussion on local Facebook group.

The total value of thefts is not currently confirmed. The suspect vehicle is from out of town, and information is that the parcel courier will be agency working to cover the usual driver, hence there is a reasonable assumption that other offences may have taken place in other areas. The investigation is working in partnership with the Parcel courier company.

Victims have since received delivery or refunds for their items.

11/10/2024 Theft A165, **LONG RISTON** – Make off without payment for fuel.

25/10/2024 Theft A165, **LONG RISTON** – Make off without payment for fuel.

Action - Humberside Police's Bonfire campaign aimed at helping to combat burglary offences, help reduce incidents of Anti-Social Behaviour and to provide advice and support to the local communities.

Retailers are reminded of their responsibility not to sell flour and eggs to youngsters on the run up to Bonfire Night. Posters available from My Community Alert

Our officers are also committed to eradicating the harm that the illegal and anti-social use of off-road bikes cause to the communities through our **Operation Yellowfin**.

Anyone who wishes to report anti-social or criminal behaviour can contact The Police on 101 or East Riding of Yorkshire Council on 01482 393939

Along with our partners at Humberside Fire and Rescue Service we are urging residents to be extra vigilant around Bonfire Night to ensure the season goes off with a bang for all the right reasons.

Humberside Police

Serving our communities to make them safer and stronger

Patrols will be working alongside Humberside Fire to identify illegal bonfires being built in the run up to Bonfire Night itself.

As always, there will be a crackdown on the illegal sale of fireworks. If the public are concerned by rogue suppliers, please contact **Trading Standards on 0808 223 1133** or for a fly-tipping concern, then they should ring East Riding of Yorkshire Council – 01482 393939

Wheelie Bin Safety

Reduce your risk of a wheelie bin fire

We would like to encourage residents and businesses to store all bins away to avoid them becoming a target for arsonists.

- Store all wheelie bins away, especially at night
- Only place your wheelie bin out on collection day and return it to your property as soon as possible
- Whenever possible, wheelie bins should be stored securely behind locked gates
- Do not overfill your wheelie bins or leave loose rubbish around them

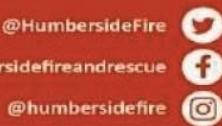

Deliberate fire setting is a criminal offence - Please report it.

2. Preventing Residential dwelling Burglaries

Is anybody home?

Lock your doors at all times; even when you leave briefly, are outside on your property, or inside your home. Also, keep your valuables in a safe or lockbox when you go out.

- **Lights** - You can get plug-in timers for your lamps - and timers for your ceiling lights. Don't just light up the hall. Fool a burglar by lighting up the landing, bathroom, bedroom and living room too. Really fox him by varying the times each light comes on.
- **Sound advice** - Use a plug-in timer for a radio - make it a talk station rather than music.
- **Windows** - Remember to shut all windows, even small and upstairs ones, when you leave the house, in your garden or in the rear of your property. If you're upstairs, close your downstairs windows and if you're planning some time away, get a trusted neighbour to shut the curtains at night. You could return the favour some time!

How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in that area.

If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

Ask yourself, what's the point? No knife is worth anybody's life.

The detrimental impact that one knife can have on so many lives is devastating. In the last year and a half, six families have been left navigating a lifetime of heartache, grief, and despair after losing their loved one at the hands of a knife.

Knife crime can impact people from any walk of life, that is why we continue to support the national knife surrender Operation Sceptre which launches on Monday 11 November.
