# Humberside Police

Serving our communities to make them safer and stronger

*Humber-talking has set our priorities, this month we are to:*

## 1. Reduce Theft

We are aware of concerns regarding Thefts in the ward area.

### Action:

We have been working hard to provide support and guidance to prevent further offences whether it occurs on the forecourt or the garden, whilst completing enquiries to identify and tackle those responsible. We will be completing regular patrols in the areas of concern.

If anybody has information about those responsible for these types of offences, then please contact us through the 101 number or alternatively, by calling the independent charity Crimestoppers (0800 555 111).

## 2. Tackling Anti-Social Behaviour (ASB)

We regularly deploy high visibility patrols to our communities in response to reports of criminal damage, drug dealing and anti-social behaviour involving scrambler bikes and mopeds.

The local policing team have also had productive meetings with partners from East Riding Council, Parish Councils and Neighbourhood Watch groups to listen to community concerns.

We understand how distressing acts of mindless vandalism in our parks and green spaces can be and I want to reassure the community in Mid Holderness that we take a zero-tolerance approach to anti-social and criminal behaviour.

Our officers are also committed to eradicating the harm that the illegal and anti-social use of off-road bikes cause to the communities through our Operation Yellowfin.

**Action** – during the start of the new school year, members of the Holderness Policing Team will conduct regular high-visibility patrols and partnership working is ongoing to make sure that Holderness is a green space for everyone to enjoy as we head into the autumn months.

Rest assured, where we receive reports of anti-social and criminal behaviour, we will not hesitate to take action. If you witness any such behaviour in your community, please let us know so we can respond, target patrols to the relevant areas and stop criminals in their tracks.

Anyone who wishes to report anti-social or criminal behaviour can contact The Police on 101 or East Riding of Yorkshire Council on 01482 393939

# Humberside Police

Serving our communities to make them safer and stronger

## 3. Road Safety

As with most other areas, road safety is something in which we can improve upon in our rural communities.

### Action

We hold regular proactive road safety campaigns with the Highways Authority which include speed enforcement in hot spot locations

## The UK government is testing the Emergency Alerts system on Sunday 7 September 2025 at 3pm

Your mobile phone or tablet will vibrate and make a loud siren-like sound, even if it's set on

silent. The alert message will confirm this is a test and that you do not need to take any further action.

Regular testing ensures the system is functioning correctly, should it need to be used in a life-threatening emergency. Find out more at [gov.uk/alerts](https://gov.uk/alerts).

You can opt out of the Emergency Alerts, including the national test, but you should keep them switched on for your own safety.

Emergency Alerts will warn you via your mobile or tablet if there's a life-threatening emergency nearby. Only the government and the emergency services are able to send them.

There are simple and effective steps we can all take to be more prepared for an emergency. Visit [gov.uk/prepare](https://gov.uk/prepare) for advice on how you can prepare.

## Back-to-School

*Sending your child back to school is both an exciting and busy time. It's important to prioritise safety and have a conversation with your child about how to protect their valuables and travel safely to and from school.*

***Here are some tips to help keep your child safe:***

### 1. Discuss safe routes and travel plans

- Plan the route: Walk or drive the route with your child this weekend before school starts. Point out safe places they can go if they need help.
- Buddy system: Encourage your child to walk to and from school with a friend or a group whenever possible.
- Avoid shortcuts: Teach them to avoid shortcuts through alleys, parks, or isolated areas.
- Public transportation: If they take the bus or train, remind them to stay in well-lit areas and to avoid distractions like using their phone or listening to music with both earbuds in. Do they know a back-up route in case their usual bus or train is cancelled?

### 2. Talk to them about what to do in an

emergency:

- Stranger danger: Remind your child never to talk to or accept lifts from strangers. Have a code word that only you and they know, which someone can use if you need to send someone else to pick them up.
- Emergency Contacts: Make sure your child knows how to reach you and another trusted adult in case of an emergency.

### 3. Secure their valuables:

- Label personal items: Clearly label backpacks, lunch boxes, and other items with your child's name. This can deter thieves and help recover lost items.
- Limit valuables: Encourage your child not to bring valuable items or large amounts of money to school.
- Switch on phone location: For children travelling alone we recommend location sharing with Life360 [Life360 | Family Tracking App | Location Sharing & Family Safety](#)

# Humberside Police

Serving our communities to make them safer and stronger

## 4. Get to know their new school:

- Meet the staff: Familiarise yourself and your child with their teachers, pastoral team, and school security staff. This helps build a sense of community and security. Every school in Humberside Police has an assigned police schools officer.

## 5. Report Concerns:

- If your child mentions anything suspicious or concerning, take it seriously and report it to the school or to us.

## 6. Online Safety

- Using social media mindfully: Remind your child not to share their school routine or location online. Ensure their social media accounts are private and monitored.
- Cyberbullying awareness: Talk to your child about cyberbullying and encourage them to report any online harassment. You can report hate crime online on our website.

## 7. Communicate regularly

- Check-ins: Get a good routine going for checking in after school, whether by a phone call, text, or a quick conversation when they get home.
- Stay open: Keep an open line of communication with your child about their day-to-day experiences, any concerns they may have, and what to do if they feel unsafe.

Talking to your child this weekend, and throughout the year, can help ensure your child has a safe and successful school year. We know sometimes it can be difficult to talk so make sure you set aside enough time, or use videos or news stories to start the conversation.

PSCO Darren and Pc Adlington are just two of many officers that visit secondary and primary schools to give talks and interventions around crime regularly. They understand that moving to secondary school can be an anxious but exciting time for young people and parents so visiting schools will help reduce

# Humberside Police

Serving our communities to make them safer and stronger

any worries you may have. Our school's officers are here to support your child and pupils, so they have the best school experience possible.

## How you can help

Your local Neighbourhood Policing Team appreciates the importance of being in the right place, at the right time, for the right reasons to reassure the public, improve public confidence and reduce crime and anti-social behaviour in the area in which we all live and work.

We encourage all residents to call and report any issues where they live so that we can deal with any issues and step up our patrols in that area. If you feel that there are other issues affecting you or your local community that should be given priority, please inform your local councillors or your Neighbourhood Policing Team.

## News and Appeals

Please visit our website [www.humberside.police.uk](http://www.humberside.police.uk) for the latest news & appeals

**FACEBOOK users did you know?** You can find out more about the work of your local officers and teams by liking their Facebook accounts: Please visit Humberside Police – East Riding of Yorkshire South [www.facebook.com/HumberbeatERYS](https://www.facebook.com/HumberbeatERYS)

## HOLDERNESS Safety Mounted Volunteers - OP CLOSE PASS

We are excited to share the launch of our Community Safety Mounted Volunteers, a new initiative that is already making a difference primarily in rural and roads policing in the East Riding.

This dedicated team of 10 trained horse-riding volunteers is working closely with our Rural Task Force and Roads Policing officers to increase visibility, build stronger communities ties and enhance safety in areas that cannot easily be patrolled by car but are too large-an-area to cover on foot.

The team conducted their first of many joint operations, on Thursday they were out in Hedon alongside Roads Policing officers and Holderness Community Officers partaking in their first **Op Close Pass** activity. The mounted volunteers patrolled a designated area highlighting any drivers passing too close or too fast. Identified drivers were then spoken to by officers and educated on passing vulnerable road users safely.

The team were joined by local journalists for this operation, keep an eye out on local media to see the team in action! If you would like to learn more or get involved, please contact [CSMV@humberside.police.uk](mailto:CSMV@humberside.police.uk).
